

Health and Safety Statement.

It is the nursery Policy that all practicable steps will be taken to ensure the health and safety of all the children it cares for and employees and the other visitors who may be affected by its day to day running.

Wonderland Day Nursery sets to implement this policy by maintaining high standards of equipment and learning environments that are checked on a regular basis by the Nursery Manager/Deputy.

All employees will observe Health and Safety requirements by consistent training that the Nursery Initiates.

Wonderland Day Nursery seeks to ensure that correct practice and implementation of the Health and Safety Policy, no child registered with the Nursery, employee, and member of the general public or other visitor to the premises is put under any unnecessary risk to their own personal health and safety.

The Nurseries Policy is reviewed by the director and Nursery Manager on an annual basis or when needing to comply with the new legislation. The Director and Nursery Manager will seek outside assistance if needed.
